Eurythmy: Signs of the Stars: Discover the Ten Cosmic Patterns That Are Used To Explore the Destiny of Individuals and Cultures. The Ten Cosmic Patterns, which are a subset of the Eurythmy Patterns, allow us to identify and understand the influence of the space/time fields of Earth, Sun, Moon, and all the planets. When they are used together, these Four Sacred Twos become fertile ground for exploring the nature of humanity, its role in the Universe, and the pathways of human expression. qx110107.rar | 1.391 The pattern of Eurythmy can be used to explore the nature of humanity, its role in the Universe, and the pathways of human expression. Eurythmy is unlike any other approach to understanding human nature because it directly allows you to access your inner power by discovering a specific language that is a reflection of your personality, having to do with the world of the inner body. The patterns of Eurythmy, when used in conjunction with the world of Astrology, can give you an experience that informs and helps you understand your past, present and future. Through understanding these patterns, you will be able to use your conscious ability to manifest your desires and to protect yourself from negative influences. It was named by the founder of Eurythmy, Dr. S. If you do not understand this term, please refer to "Eurythmy Definitions" or an Eurythmy book. Understanding the nature of your own system will allow you to connect and remain in harmony with others. Your life depends on it. Part 1 of the Eurythmy Training Program consists of Chapter 1 which introduces you to the nature of your personal Eurythmy Pattern. It explains that your system was originally designed to communicate with others. Part 2 consists of Chapters 2 to 15, which each cover a specific aspect of the Eurythmy Pattern. Each chapter was designed to be understandable to individuals at varying stages of their journey. There is a progressive level of complexity. The more you learn about your Eurythmy Pattern, the more you will understand its meaning.
