Version history: Photoshop Elements 11: Better with Elements 11 Photoshop Elements 11 is here! A fresh start for Photoshop Elements 11 We started a new journey with Photoshop Elements 11: Better with Elements 11. We're dedicated to keeping this Photoshop experience modern and intuitive while adding new features that make it easier for you to achieve your goals. We want to help you make better-looking images, discover new artistic possibilities and be more creative. What's in this update? Powerful new image-retouching features We've added powerful new image retouching tools to Photoshop Elements 11. You can remove blemishes, make color adjustments and add special effects. These tools let you edit, retouch and transform your images to create polished, professional-quality images. Sharpening images in the new Sharpening Tools panel, you can sharpen your images in just two clicks. And you can see the exact effect of all your adjustments on the image — so you know exactly what you're going to get. Perfect filters Perfect filters let you quickly create and edit your own filters — without having to know how to use photoshop. You can save your perfect filters as templates and easily use them again in Photoshop Elements. Photoshop Elements 11 is free to download with no limits on how many images you can edit or save. New camera shortcuts For the more experienced photographer, Elements 11 has a number of new camera shortcut keys to make the editing experience faster. Workspaces Elements 11 comes with two workspaces. You can use the default workspace to quickly access tools that are similar to the image you're working on. And with the second workspace, you can do bulk edits on multiple images at once. Improved cropping A new flexible view and editing tools for automatically cropping your images will make it faster to crop and retouch your images. Removal of "Memory and History" features Photoshop Elements 11 no longer includes the "Memory and History" panel or the "History Path" feature. Photoshop Elements 11 replaces the "Memory and History" panel with the new Tool Presets panel. You can quickly select a preset that matches the photo you want to edit and apply it to other photos in the same spot. History Path remains, and users 388ed7b0c7

Nestled in the center of the 3rd largest city in the U.S., you can find the historic Dorman Building. You'll want to pay it a visit to see what it looks like. It is a Frank Lloyd Wright designed building, and was completed in 1929. There are some things that you might not know about the building. Like its history, it was used as a synagogue, a department store, a hotel, a ballroom, and as a warehouse. If you are looking for a space to rent, this is the place for you. It has a great location, and you'll enjoy what it has to offer. The parking lots are well lit and open 24/7. This historic landmark has many original features, like the beautiful terrazzo floors, the "tungsten" counter top and the glass block. The marble floors are among the most luxurious in the world. The structure itself is 36,000 square feet. That is enough space for you to have a party, meet with clients, host an event, or simply enjoy a quiet, comfortable spot to take some time out to reflect on your day. If you are interested in seeing this rare and amazing building, now is the time. The Dorman is a local landmark, and will be open until the new year, 2018. This is a fabulous spot to rent for your event or meeting. It's an historic landmark, and there are even tours of the building. Some of the features include a fine dining restaurant, a lounge, and an upstairs lounge for private parties, events, and weddings. There are also many public rooms for everyday usage, like a large boardroom and a grand ballroom. It is perfect for someone looking to host a business meeting or event. You can rent the entire space, or just a room, for as long as you need it. Rent a ballroom, or a room for a meeting. As a local landmark, there will be plenty of entertainment, food, and beverages provided for your event. You can rent the entire Dorman Building for as many hours as you need, as long as it is for a business event or conference. There is a gorgeous ballroom, and a meeting room, and you can even have a private concert for your wedding. You'll have a private parking lot and restroom. This is a beautiful space, and you can rent it for as long
