Spell Blaster is a 2D action game. Players choose a sidekick to travel with them through mazes and treacherous areas. Players will learn new spells and abilities as the game progresses. Players will start out with basic abilities and as they progress they will be able to use more powerful spells. However, not all spells will be available at the beginning of the game. The player(s) begin their adventure on a World Map, selecting a Stage to play. Their task is simple: find and destroy the Dark Shard in order to win. However, the challenge comes from the monsters standing in their path and the puzzles waiting to be solved. As the players progress through the game they will gain new spells and abilities to aid in their quest. There are Bosses that await at the end of each zone, and mini-games/side activities for the players to gain additional rewards. *-iGON (me and my brother) will be the only developers developing this game. A simple but addictive puzzle game where the rules are super simple, just break the coloured symbols to get your colour card in sequence with the sequence card. Classic Lines Solitaire is a free solitaire game. The aim is to get the cards all in their correct suits (sorted by rank). To start the game you must first choose a board with some rows of columns, they can have from 1 to 9 columns. To begin the game you must start with the empty board and place cards in the columns. The game then progresses from the left to the right and from top to bottom, as each row has a new order of the cards. To start the game you must set up the number of columns you would like to play with. Dots of the Mind is a logic game where you must remove by matching pairs as many dots as possible. Dots of the Mind was the award-winning puzzle game at Cannes Lions in Cannes, France in 2004, the Microsoft X-Box Indie Game Award 2004 and the Independent Game Festival (IGF) 2004. It is also ranked 4th on CNET's Best of 2002. Dots of the Mind: X-Box Edition is an enhanced version of Dots of the Mind with refined graphics and a new game mode. Free Gliding: A Crosswords Game: As the game starts, flip the board over and put some cards in the top row. Then start crossword game. The object is to match the two cards with the same pattern, and thus cover all of the "wild" area in the grid. The new feature is that some cards become frozen cards when they get the same word and have to move in both directions to find the matching partner. The playing field is crossword-like, that means, that words are written vertically, and the columns are crossed with arrows. Free Gliding is the first strategy puzzle-game for the platform XBox. Gliding: A Puzzle Game: The object is to cross-shape the cards into a number of intersections equal to the target number. Great graphics and sound, new challenging levels, many modes, many bonus features and some fun features: Multiplayer Games "Wrestle" - The objective is to beat your opponent. Depending on the mode you can use the same or different cards. "Juggling" - The objective is to use the right amount of cards to get a maximum score. "Play with Pictures" -

Play Don't Starve Together in a new co-op multiplayer experience that allows up to 4 players to work together to survive on a mysterious island overrun by fierce crafting-obsessed megabeasts known as The Beastmen. Leave behind civilization as you explore the dying world of Keller Manor, crafting everything from TNT to rope to traps to eliminate your devious cannibalistic neighbors in this weird and wonderful co-op game. Drop the word "Don't" and you're sure to get a rise out of your friends. The Beastmen – enemies of all humanity and all life itself – lay in wait and feast on unsuspecting players as they progress through the island. Keep an eye out for them — and for those other players – because when you're alone in this dead world, you're fair game. Collect, craft, evolve, and fight your way to freedom in Don't Starve Together. Awaking from a deep slumber, you learn to your dismay that the Beastmen have taken over the castle, killing all your villagers. As the days pass, you struggle to survive on the uninhabited island, crafting weapons, traps, and items to fend off your evil neighbors. Collect resources, scavenge the environment for crafting ingredients, and scavenge the local denizens for information and supplies, then use your knowledge to survive the Beastmen onslaught and escape the island. Explore the vast open world and discover the secrets of the terrain as you unravel the mysteries of the island. Build your shelter, develop your skills, and explore the town of The Forgotten Valley – a vast and barren landscape that awaits your adventures.
