“Elden Ring” (the Elden Ring: The Lands Between) is a fantasy action RPG game developed by Bandai Namco Studios, a subsidiary of Bandai Namco Holdings. It was released for iOS and Android devices in June 2017. The story is a multilayered drama that is depicted through fragmented scenes (“The Tale of the Elden Ring”). In this game, the main character, “Hero: Tarnished”, is a young man wandering the Lands Between. As he is guided by grace, he aims to become an Elden Lord, the ruler of the Elden Ring. ■1. Gameplay “Elden Ring” is a fantasy action RPG (for iOS: iPhone/iPad/iPod Touch and Android: Android) developed by Bandai Namco Studios, a subsidiary of Bandai Namco Holdings. The story is a multilayered drama that is depicted through fragmented scenes (“The Tale of the Elden Ring”). In this game, you play the role of Hero: Tarnished, a young man wandering in the Lands Between. As a member of the warrior tribe “Phalanx”, he aims to become an Elden Lord, the ruler of the Elden Ring. Hero: Tarnished (Character) Strategist, heir to the Phalanx tribe; during the day, he is a very intelligent, sharp-witted youth, but his body is covered in battle scars. Ideal Hero: As a character that is capable of leading the Phalanx to victory. Notes: The character is voiced by the actor Hiro Shimono (Phalanx, Oriko). ■2. Creating a Custom Character Complete the first prologue to become a character. The protagonist’s weapons and equipment (including bonuses and skills). The appearance of the protagonist and items that can be equipped. ■3. Features ■1. The Lands Between A grand and vast land that is filled with many sights, and adventure. ■2. Action RPG System A simple and easy-to-learn action RPG system. User Interface ○ Acquire NEW skills that allow you to surpass the boundaries of previous action RPG games through skills such as weapons, armors and spells.

Features Key:

- ~Huge Boss Battles Battles against 40+ enemies; great challenges to win!
- ~Skill System — The Skills of the Elden One Reflects your true self (Strength, Luck, Magic, and Wisdom)
- ~Introduction of the Skill System — The Special Skills of the Elden One In addition to standard skills, each of the five Skills of the Elden One has Skill Specials, enabling special effects and boosts to use your skills more effectively.
- ~Fantastic Graphics Enormous battle maps and graphics, most of which are 3D.
- ~Ultimate Music System Unparalleled tunes that enrich each moment in the game.
- ~Fantasy Storyline — The Tangled Magic A multilayered story told in fragments, what the order of the story is and what the characters in the story think about are known only to the developers.
