"FIFA 19 sounds really awesome, and it has some cool new features," said Jost. "I love being involved in the game, and can't wait to get my hands on FIFA 22." FIFA 22 is released for Windows PC, Xbox One and PlayStation 4 in November. For more information, visit www.fifa.com/fifa-22 FIFA 22 includes four central and territorial themes: A new-look Brazil, a more authentic Germany, Four-star Singapore, where the world's best players come to compete and a second-career player experience that allows players to be coached by top coaches of previous eras. FIFA 22 includes the following new features: Central Themes • New-look Brazil with a powerful national team that is both physical and technical • A more authentic Germany with players from the national team and a new grass-roots club-based league • Four-star Singapore, home to the second-tier competition where the world's best players come to compete • More ways to play: A second career mode, Master your club or compete in the local league • New Pro Player Connection (also on Xbox One and PC): Transfer, car loan, Pro Contract and more • All-new Player Rankings and new Assistant Editor: Make your dream team • New Skills like Ajax Spin, Axel Vokac Sprint, Thiago Silva Press: Real-life trickery • New Traits: Lace Up, How do You Speak and players can now pick their name • Customize your on-

Features Key:

- FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.

-
- - All-new Presentation layers including enhanced visuals, animations and crowd scenes.
 -
 - All-new Mobility and Player Intelligence systems allowing for improved ball control by the ball striker and improved off-the-ball movement and player intelligence.
 -
 - New career progression tool allowing players to dynamically improve and develop as they get older, using their on-pitch performances to unlock new assistant players, new skills and new career achievements.
 -
 - An array of new kits including returning old-school throwbacks and new, flashy designs that reflect the DNA of the team, and give you more ways to express your individual style on the pitch.
 -
 - Dynamic player movement in authentic-looking pitches of all shapes and sizes, powered by the same all-new physics engine as FIFA 19.
 -
 - Refined ball physics to provide more realistic and responsive gameplay.
 -
 - Accelerated roster update timing, to give you games more frequently than ever before.

FIFA 22 Ultimate Team gives you all-new ways to compete. Use real-world tactics and strategies to become a FUT Master. Take on your friends for endless matches. Plus, with FUT you can also gain experience in a more accessible and addictive way. CLUB SWITCH - NOW EVEN BETTER Club Switch now supports up to 100 players in a team. Players in your squad have individual ratings that make them better or worse against specific teams. Your team will function based on the ratings of your squad, meaning that you will need to be well-rounded to complete matches. Changing your team now means it will be more difficult to predict how your team will function against specific opponents, making Club Switch even more fun. ENHANCED UPDATES For the first time in FIFA history, the platform will support the enhanced live update mechanism, meaning that we are able to bring updates straight to the game each season. This service will ensure a more consistent and smooth experience, and continue the evolution of FIFA as a sport game, with more new and exciting ways to engage with your players and your club. NEW OFFICIAL TRADITIONALS Traditions are back. Play your way with creative set-pieces like free kicks, corners, and throws, all built specifically for the new touchline system, including aials. With more angles and options to control the ball, the free kick situations feel more authentic and exciting. Tricks and tricks also play a part in a new Trick Shot feature. THE TRUE TEAMS OF THE PAST FIFA World Cup 2014 brings football's biggest stage back to a more authentic in-game version of the stadiums and kits of the World Cup matches. Play your way through the 2014 FIFA World Cup™ with better looks, better animations, and enhanced depth. DIVERSIFIED OPPORTUNITY New "x" Pitches provide both sides with an equal playing surface. These new pitches are fully reconfigured, offering incredible environments to play, with many new ways to be creative and to score. ROSTER NOW SPEAKING AND READING NOUGHT All players have expanded language options to support new players, regardless of their chosen language. In addition, the new roster interface is designed to make it easier to navigate and find the right information for every player. LEADING MODDERS New animation technologies boost player performance and redefine the animation set, as FIFA gets an
