"9.9/10 - If you like a good JRPG, then you should definitely check this out. But it's so much more than just a visual novel. It's a tactical RPG and a story driven RPG. The story is my favorite, the characters are all unique and it makes me want to see them grow. The combat is like a breath of fresh air to an often stale genre, and it's very easy to pick up. It's the first game by this studio that I've actually enjoyed playing without feeling like I'm being told to buy more goods to get better gear. If you like the style, then you should check out Elven Legacy. It's worth every penny." - Game Informer "8/10 - Between the great visuals, excellent music, and memorable characters, Elden Ring Serial Key is a RPG with a lot of heart." - IGN "The story is gripping and all of the characters are so well-developed and memorable. The plot is gripping as hell, but also leaves you wanting more. It's the best game I've played in a while." - Kotaku "8/10 - From beginning to end the game is incredibly interesting...It's not only a visual novel, but a proper RPG...As a JRPG, it's pretty great. It does the genre justice. Be sure to pick it up if you like either visual novels or anime-inspired games." - G4TV "If you're looking for a full-on RPG without the heavy fighting, check out the new Tales of Hearts series instead. However, if you're looking for an action-filled RPG with a strong female protagonist, check out this game. I enjoyed the mixture of combat and exploration and the story provided an interesting experience, especially for a VN." - Game Chunter "8/10 - It's a light RPG that can prove quite gripping when the story pulls you in. And that is where the game's biggest flaw lies: it lacks in pacing, taking its time to build up to big battles." - Games Are Awesome "It's definitely worth playing and I'd recommend it to anyone looking for a unique RPG experience." - VGN Review "7/10 - The world is interesting, but in a different way that other open-world games. The characters are believable and the world is genuinely immersive." - Gaming Muse " bff6bb2d33
