Finally, "FAS" (Game Experience Studio) is a new on-screen coach who delivers guidance for players and feedback on their performance and abilities, from tactical and technical areas. "We're very excited to begin work on FIFA 22," says Producer Matt Prior. "We've spent two years putting together a balanced and fun football experience, and working with the players, we now have the opportunity to deliver on everything we've set out to create. We'll be working with the dedicated team at PES to ensure we achieve the same high standard that our players have come to expect from FIFA in the past." This year sees several key changes to FIFA Ultimate Team mode. Players can now unlock trophies they've previously earned, and Classic teams can be accessed after using coins during the Champions League. There are also new tiers of content for Ultimate Team and an extra collection to be had. FIFA 22 will be available for Xbox One and PlayStation 4 this October. In addition to the core game and core features, FIFA Ultimate Team mode has seen several key changes and additions, including: Brand new creation tools, including an improved and enhanced Create-a-Player feature. More controls, more tools, and more power to create your dream team. New Champions League, where a limited number of players per brand can compete head to head in group stage matches with five teams per group. Fans can now choose a team from the UEFA Champions League, UEFA Europa League, or domestic leagues. The Golden Boot competition, where players get to compete for valuable coins and a chance to win trophies. Brand new Football by the Numbers mode, allowing players to experience the love and the magic of football through stats-based challenges, for a chance at rewards. "I am very excited about how Ultimate Team players will be able to earn FIFA 20 Amiibo cards," said Peter Eriksson, Managing Director for Football & Soccer, Nintendo of Europe. "These new collectibles will be introduced alongside FIFA 22 and available for FREE to download. We will also offer some of the most skilled players in the world at the FIFA 22 Live Event, which will allow fans to get a first look at the new user interface." -
- your Ultimate Team, Online Seasons, and gameplay progress.
 - **FIFA ProSoccer Play Celebration** rewards players for causing damage to the opposition. Sent off the pitch and arrested, players lose control of their guns, so other players can step in and take the control. Sent off the pitch with an obscenity, they get an automatic red card, finishing them out of the game completely. If a player plays recklessly, is sent off and receives a second Yellow Card then they will be awarded a Penalty Kick (like in real life), to be taken by opposing team. If a player receives a third Yellow Card then they get a DOG TIME LAPSE RED CARD (like in real life and other virtual football games).
 - FIFA Incoming Blows
 - Dynamic board – Players' actions can affect the match outcome. Create new tactics by using the Dynamic Board, which is changed by every player's action on the pitch such as a foul, a pass or a tackle.
 - Excellent AI intelligence. FIFA 22 ProSoccer Stars is at the forefront of artificial intelligence and has been listening closely to fan feedback and player concerns on every corner of the pitch so no matter what style of play you are after, the game will deliver.
 - FIFA 22 is packed with new on-pitch features plus fan-requested features from the upcoming FIFA Ultimate Team game, FIFA Ultimate Pro Evolution. New features include:
