NEW YORK — In a series of tweets, President Donald Trump said his "respect" for the people of South Africa overshadowed all other concerns regarding the situation there. "This is about a great deal more than politics! South Africa. Our 'leaders' would like to see what they call a 'color-coded', 'rainbow nation'. Well, I don't believe they are capable of the bright, colorful future they envision for their country," he said in one tweet. This is about a great

Santa came and he's brought a GIANT box for you! Best be on your best behavior and keep everything nice and under the tree and you'll get to read this holiday-themed Star Wars #1 in over a decade! You might say the galaxy has no room for two Star Wars comics. The current state of Star Wars comics is a little more uncertain than usual this year. There's a nearly five year gap between the end of the events of the last movie and the launch of the next film on December 18th, 2017. That's a long time to be without the story of the Star Wars universe. Fortunately, we still have comics that keep the old stories going, and we have a brand new book from the creative team of the currently ongoing Star Wars book coming out a few weeks ago. Star Wars comic book #1 is the beginning of a brand new story set in the years between Episodes 3 and 4 of the current Star Wars film saga. Whether you like the movies or not, you can't deny that the universe of the movies is a big part of how the world of Star Wars has been shaped. This new story digs deep into that universe, and hopefully we'll get to see something that we haven't seen before as we go along. The comic is written by Kurtis Wiebe and colored by Chris O'Halloran. The series will be drawn by Alex Milne and decorated by Romulo Fajardo Jr. Cover art for the book is by Agustín Padilla. Here'
