The Ultimate Admiral: Age of Sail is an expansion pack for 2004's action-adventure naval combat title, Ultimate Admiral: War at Sea. In addition to adding new features such as the "Fast Attack" and "Corvette" anti-aircraft gun setups, it also added improved graphics, animated sea monsters and has a new single player campaign. Since the game's release, the Ultimate Admiral: Age of Sail expansion pack has received very positive reviews. The game can be played on Windows, Mac and Linux systems and is also available on the PlayStation 3. Ultimate Admiral: Age of Sail is part of the Immortal franchises, a brand created by Namco Bandai, with which the company had various sequels such as Nelvana: To the Manor Born, Lamborghini: Racing. Around the time Immortal 3's release, Namco Bandai shifted the company's focus from traditional arcade video games to more successful and more profitable console video games. Namco Bandai acquired the rights to the Immortal franchise, which they have since released the direct sequel, Immortal 3 in September 2007. Contents Gameplay Set 200 years in the future, the player plays as several members of two European navies: a Royal Navy and a Kriegsmarine. The story follows the gameplay as the two sides battle it out for supremacy in the North Atlantic. The player begins in the role of a crewman on the HMS Bathurst, a small wooden British cruiser. The player is able to move the entire ship with any of the four primary control options: rudder, right and left joystick, or the right analog stick. The player is able to bring up a number of control options and move the ship accordingly. These can include full control of the ship's movement and the raising and lowering
