The world turns upside down for Baba on his 25th birthday when he finds out that his apparently boring father is actually a terrible hit man and that his family is. Well, well, what do we have here. It is immediately clear that this topic is very close to the director, all his previous films dealt with this in one way or another. Therefore, I will not delve into the plot, but simply express my opinion. One of the best thriller movies I have ever seen. I kept myself in suspense the entire time I was watching, which is very important in such a specific genre as a thriller. There is no predictability or any linear plot. The film has a huge number of unexpected twists.
